

Certification of Analysis

1. PRODUCT INFORMATION

| | |
|-------------------------------|---|
| Name of protein: | BMTS-AUT-FGF-10 (KGF-2) |
| Description: | Biological Materials Transdermal system linked AUT-FGF-10(KGF-2), Recombinant human DNA expressed in <i>E. coli</i> |
| INCI name: | sr-(Oligopeptide-249 sh-Polypeptide-10) |
| Catalog No.: | UBP-AF0-1 |
| Lot. No.: | AF0-1-XXXXX |
| Formulation: | 1 X PBS, Liquid with no additives, no detergents |
| Appearance: | Color that are visible to the naked eye or colorimetric measurements |
| Storage and Stability: | Avoid repeated freeze-thaw cycle. Short term (< 2 week) store at 2 – 8 °C Long term (≥ 2 week) store at ≤ - 20 °C |
| Expiration data: | 2 years from date of manufacture |

2. SPECIFICATION

| Control Parameter | Specification | Result |
|--|--------------------------|---------------------------------------|
| pH | pH 7.0 ~ 8.0 | pH 7.4 |
| Identity (SDS-PAGE) | About 20 kDa single band | Pass |
| Purity (SDS-PAGE) | ≥ 70.0 % | ≥ 70.0 % |
| Protein Concentration (Bradford assay) | 0.5 ± 0.05 mg/mL | 0.5 mg/mL |
| Endotoxin | Not applicable | Not applicable |
| Biological Activity | Active form | Conformed |
| Bioburden | No detected | Pass (No bacteria/fungus detected) |
